All attractions, discounts and special offers available without time limit until expiration date of April 30, 2024

Do I need to buy a Riga City Pass for children?

No, each adult carrying a Riga City Pass can bring one child between the ages of 1 -11 on Sightseeing tours free of charge.

All the rest of the attractions provide their own special discounts or free admissions for children of 1-11 y.o.

Is public transport included to my Riga City Pass?

No. Riga is a small city and 90% of the attractions are located within a walking distance.

Please check availability for hours of operation.

Opening hours of attractions can fluctuate throughout the year due to seasonality or special events.

Some included museums/attractions are closed on public holidays.

RCP team is not responsible for the quality of the service our partners provide.

Why Riga City Pass?

- ✓ You save money and time.
- ✓ All the benefits can be used during your entire vacation until the expiration date.
- ✓ You receive a bookguide, which helps you plan your time in Riga efficiently and according to your preferences.
